5 Years STRONG!!

Five years of excellence and counting!
Celebrating a half-decade of innovation and achievement!!🌟🥂

"Honoring Brilliance: Celebrating all award winners on our anniversary"

Greetings from the CEO!

"Dear Team,

As we celebrate Surge Technology Solutions' 5th anniversary, I'm deeply grateful to each one of you. From our humble beginnings in 2018 with just one employee, we've evolved into a tech industry leader known for cutting-edge low-code solutions and digital innovations. Your dedication, expertise, and passion have been instrumental in our journey.

Our success is a testament to this extraordinary team's hard work and commitment. Together, we've achieved remarkable milestones, and I'm confident that our future holds even greater opportunities and triumphs.

As we embark on the next chapter, let's continue to innovate, collaborate, and strive for excellence. Thank you for being an essential part of Surge's success story. Here's to five years of achievements and to many more ahead."

Warm regards,
PREM KUMAR MUNNA SWAMY CEO & FOUNDER

A Glimpse of CAMUNDACON 2023

Surge proudly sponsored and virtually attended CamundaCon, NY 2023, where we were part of two days filled with valuable insights, productive collaborations, and extensive networking. The event highlighted the developer-friendly nature of low code and its remarkable productivity gains, redefining the landscape of process orchestration.

Our team had the pleasure of connecting with clients, partners, and potential collaborators, gaining valuable insights into how Camunda is empowering organizations through #ProcessOrchestration. CamundaCon 2023 showcased the power of digital innovation, and Surge is dedicated to driving excellence in our endeavors!

Welcoming our new joinees!

Introducing **Abhiram Reddy**, an experienced Software Engineer with a strong engineering background.

Delighted to welcome **Gokulakrishnan M** as our newest Software Engineer.
